Complete Catering Services
From Tail Gate to Wedding Date

Dear Weston Shooters Club Members,

I'd like to take this opportunity to recommend the exquisite catering services of *Cricket Cafe & Catering*. Located in Waltham, *Cricket Cafe & Catering* offers a wide array of catering options, spanning from casual event catering to high-end dining.

Head chef **Drew Blanckenberg** is a true master of his craft. I admire his meals to the degree that I also employ him in my home as my personal chef. Drew has had the unique opportunity to compete on television on programs such as *Food Network's Cutthroat Kitchen*, & has cooked alongside a number of top chefs throughout his career, gaining invaluable experience from them. The rest of the team at *Cricket Cafe & Catering* is outstanding - together with **Warren Travers**, a former Marine, they have over 20 years of experience.

Whether your event is for breakfast, lunch, or dinner, on-site or off, professional or casual, let *Cricket Cafe & Catering* handle all your catering needs! **Members of the Weston Shooters Club will also enjoy a 10% discount!**

Feel free to explore the *Cricket Cafe & Catering* website: cricketcafecatering.com.

Kind regards,

Victor Grillo
